

ROAD WORK AHEAD? NO PROBLEM.

PMW PARTS WASHERS GET THE JOB DONE

Road maintenance equipment takes a beating and at the end of the day, you can count on PMW parts washers for a thorough cleaning of your equipment parts and components. Our washers work on engines, transmissions, components, and much more.

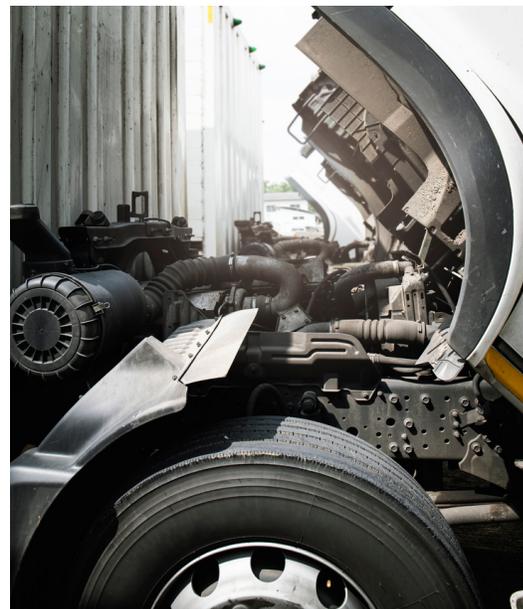

SIZE OPTIONS

PMW offers a wide variety of sizes. We make large washers for complete engines and small washers for smaller components or parts.

QUALITY AND DURABILITY

PMW is well known in the industry for high quality washers with long service life. Purchasing a washer from PMW is planning for the long haul. We are number one in quality and durability. Ours last for years to come!
